

# BULK BOX SYSTEM

**SAVE MONEY, SPACE AND TIME**

PROMO DATES: AUG 15 - SEPT 15

**Purchase 6 Boxes & Receive The Rack For FREE!**

**\$375 VALUE**

The Parts Master Bulk Box oil management solution helps installers lower working capital expenses while also providing a wide range of oils in an easy to use, convenient dispensing system.

- Improved speed of oil changes as compared to quart bottles due to less product handling
- Clean, professional look in an organized, easy to use dispensing system
- Lower working capital expenses changing over slower moving items from Drums to Bulk

Rack System  
Part Number  
880046

Each Bulk Box contains 24 quarts/6 gallons of oil, and weighs approximately 45 lbs.
